Director of Public Works.

Subject: Repairs to State Domain
Buildings not in occupation by
Government Departments.

Reference: Your letter No. 13/5/2 of
1.3.46.

Whenever a State Domain property is no longer required to be retained for Government use and is handed back into my custody, the Chairman, Central Housing Commission should inform you accordingly.

However, the procedure in regard to the preparation of estimates of repairs in respect of State Domains not in occupation of Government Departments, is laid down in General Regulations 341.

March 1st, 1946

Director of Land Settlement.

85

Subject: Repairs to State Domain R/Tul/1(2).

Reference: Your R/Tul/1(2) of 25.2.1946.

May I thank you for clearing up the question of Maintenance of State Domain R/Tul/1(2). As, as far as I am aware, this Department had not been previously informed that Government was not to continue its maintenance.

2. Please inform me if there are other similar cases so that they may be struck off my register and thus save District Engineers un-necessary inspections and reports e.g. D/Hsb/17 (A shop in Hsblus Sq).

3. On 11th February 1946 the District Engineer reported to me that R/Tul/1(2) was valued at LP.1,000 although somewhat dilapidated and arrears of maintenance amounted to LP.178.270 (pre-war prices). On the basis of this report I asked your approval for an expenditure of LP.60 on the more essential works.

REPLIED 1/80, 89

(Sgd.) H. C. H. HARRIS

Actg. DIRECTOR OF PUBLIC WORKS.

Copy to: District Engineer, Nablus (who is asked to send a copy of his 1/6/46 of 6th February 1946). A copy of self explanatory letter dated 16th February 1946 to Asst. District Commissioner Tulkarm is also attached.

IN REPLY PLEASE QUOTE

No. R/Tul/1(2)

DEPT. OF LAND SETTLEMENT.

JERUSALEM.

P. O. B. 189 - TEL. 4497.

25th February, 1946.

Acting Director of Public Works.

Subject:- Repairs to State Domain - R/Tul/1(2).

Reference: Your 13/5/2 dated 18th Feb. 1946.

I enclose a copy of a self-explanatory letter on this subject, addressed to the Assistant District Commissioner, Tulkarm.

2. Quite emphatically, I am not prepared to spend any money on repairs to these premises. As the Chairman, Central Housing Commission, has made very clear the premises are not an official residence for the Postmaster. They are ordinary State Domain let to a member of the Public who happens to be Postmaster. When, at the request of the Postmaster General, I let them to Mr. Sakellis I went to considerable trouble to make it clear to him and to everyone else concerned that he would be responsible for repairs and that Government would do no repairs whatever. The premises are scheduled for demolition and the rent is LP.10 per annum. To spend LP.60 or even LP.10 on repairs would, from the estate management point of view, be lunacy.

3. Of course, if the Chairman, Central Housing Commission, likes to take over the premises as an official residence for the Postmaster or for any other purpose, I have no objection whatever and the matter of repairs would not then concern me.

4. Incidentally, you say that the estimate of the District Engineer, which was LP.41 vide his No. 1/6/8 of 6th February, 1946, is high yet you ask for LP.60. I presume that the LP.60 includes other work not mentioned by the District Engineer.

Acting DIRECTOR.

Copy to: Postmaster General.

" " Chairman, Central Housing Commission.

" " Asst. District Commissioner,
Tulkarm.

PUBLIC WORKS DEPARTMENT
JERUSALEM.

18th February, 1946.

Director of Land Settlement.

Subject: Repairs to S.D. Tulkarm.

The District Engineer, Nablus considers that outstanding maintenance repairs should be put in hand upon the Postmaster's Residence in Tulkarm. (S.D. R/Tul/1(2)).

His estimate is high but I consider that LP.60 could be profitably spent this financial year. May I please have your authority to make this expenditure.

12.

February 16th, 1946

District Engineer,
Neblus District.

Subject : Maintenance of Post Office Buildings.

Reference: Your 1/6 of 11.2.1946.

I can foresee no difficulty in your carrying out Maintenance Repairs to Post Office buildings situated on Railway property and shall therefore be pleased if you will arrange accordingly and complete arrears of Maintenance Schedules as for other buildings.

In view of letter 36/20/3/8 of 26.2.1944 from Cheirmen, C.H.C. which I had overlooked, it appears that the Postmaster's House in Tulkarm need no longer be maintained by you from P.W.D. funds.

I am therefore eliminating it from your list.

Subject:- A.D.C.'s Residence, Tulkarm.
Ref'nce:- Your No. Q.2 of 14.8.45.

Mr. Somerville has proposed that some form of shelter be erected on the roof to enable sleep thereon during hot summer months.

The question of supply and installation of fans in bedrooms to render sleep possible (A.D.C.'s T/821/90 of 23.7.45 refers) has been found by him to be unfavourable.

The fanlights are not provided with flyscreen and therefore have to be kept closed to prevent entry of flies and mosquitoes. The sashes of these fanlights are bottom hung opening inwards and are provided with a grille fixed on the inside. These grilles prevent sashes from opening fully. The proposal is to remove grilles and refix on outside and provide openings with mosquito wire.

Estimated cost is as follows:-

a) Supply & erect shelter (4ms x 4ms) on roof consisting of 2"Ø pipe framing & covered with C.I. sheets & timber rafters & provide wooden steps (removable) to roof.	65.000
b) Remove grilles from inside of fanlights & make good & refix on outside & supply & fix mosquito wire netting & frames.	35.000

REGISTERED

19th March, 1945.

Assistant District Commissioner,
Tulkarm.

Subject : A.D.C.'s Residence Tulkarm - Flag pole.

Reference: Your T/821/80 of 13.3.1945. — 74

If you will refer to Chief Secretary's Circular No.70 of 24.5.44 you will note that the officer who is responsible for the control and expenditure of the vote for Minor Works is the Financial Secretary. A minor work is defined in G.R. 316 (i) and I agree with the District Engineer that the work referred to in your letter under reply is a minor work. I have no funds under the Minor Works vote other than those placed at my disposal from time to time for the execution of specific works which have received the prior approval of the Financial Secretary.

2. You will also observe from G.R. 301 that the Director of Public Works is the officer responsible to Government for the construction and maintenance of all public works. I can therefore accept no responsibility for the unauthorized work which has been carried out at your residence at Tulkarm either in regard to its value or future maintenance, and I must request you to refrain in future from authorising the execution of public works other than through the approved channels.

3. It is noted from your letter under reply that stores owned by the Municipal Commission of Tulkarm have been incorporated in work in Government owned premises without payment which is also irregular. I suggest that the correct procedure would have been to have referred your proposal to the District Engineer Nablus for his advice, though it is clear that whether the work was to cost LP.3,500 or LP.8,000 funds from Minor Works would be required to meet the cost. If the funds had been approved the work should then have been executed by the District Engineer and would then subsequently have been maintained by him.

4. The invoices amounting to LP.3,500 forwarded with your letter under reply are returned herewith, and I can only suggest that you obtain the approval of the Chief Secretary for a refund to you from the vote for Minor Works of the amount expended by you.

No. 1/12/24.

PUBLIC WORKS DEPARTMENT,
NABLUS.

Director of Public Works.

22nd April, 1942.

Subject :- Assistant District Commissioner's House -
Tulkarm.

Reference :- Your 13/5/2 dated 13th April, 1942.

Estimated cost is as follows:-

(a) Supply and fix cotton gauze on wooden frame
with sliding wicket door to enable operation
of jalousy shutters - 37.553 M2 @ LP 0.900 m/M2 = LP 33.798 m
Contingencies = 3.202

37.553
13.776500 say LP 20.

Total = LP 37.000 m

(b) Mosquito gauze as above -

37.553 M2 @ LP 1.350 m/M2 = LP 50.697 m
Contingencies = 5.303

Total = LP 56.000 m

2. Details of quantities of mosquito gauze required are as follows:-

	No.	Height	Width	M2
(a) Doors	1	2.09	x 0.96	= 2.006
	1	2.11	x 0.84	= 1.772
	1	1.92	x 0.85	= 1.632
(b) Windows	3	0.30	x 0.25	= 0.225
	2	1.00	x 0.45	= 0.900
	5	1.00	x 0.50	= 2.500
	6	1.43	x 0.80	= 6.864
	4	1.50	x 1.25	= 7.500
	8	1.52	x 1.05	= 12.768
	1	1.54	x 0.90	= 1.386

ACTING CHIEF SECRETARY.

Copy to District Commissioner,
P.W.D. H.Q. Jerusalem
Samaria District.

REPLIED 60.61

13/5/2.

13th April, 1942.

Chief Secretary.

Subject : Residence of the Asst.
District Commissioner,
Tulkarm.

Reference: Your No.W/78/41 of
11.4.42.

It is desirable that the installation of electricity in the residence of the Asst.District Commissioner should be undertaken and I therefore recommend that the work should be put in hand at an estimated expenditure of a minimum of LP.160.

2. The Acting District Commissioner has now requested that a mosquito gauze should be fixed to the doors and windows and an estimate is being called for about which you will be notified in due course.

W. C. H. Jones
DIRECTOR OF PUBLIC WORKS

REFERRED

13th April, 1942.

District Engineer,
Nablu District.

Subject : Asst. District
Commissioner's house
Tulkarm.

Reference: Letter No.890 of
9.4.42 from the
A.D.C. to me with
copy to you.

It is undesirable that this Department should be concerned with the fixing of such a temporary material as cotton gauze to the doors and windows, and it is preferable that proper metal mosquito gauze should be fitted if anything is to be done. I shall therefore be glad if you will kindly let me have an estimate of the cost and details of the quantities required of mosquito gauze to doors and windows and ~~an~~ alternative estimate of the cost of fixing cotton gauze should also be submitted to me.

As a result of a recent inspection of the Assistant District Commissioner's residence in Tulkarm, by the Assistant Engineer, mosquitoes have been observed in dark corners and cupboards.

2. There is no doubt that mosquitoes are troublesome especially in hot weather which is about to begin. Such trouble cannot be avoided without having the windows of the house mosquito proofed.

3. I shall be grateful, therefore, if you will authorise the District Engineer to fix cotton gauze to the windows as early as possible.

(4)

D.R.W.

W.H.W.
Do you agree that mosquito gauge
be fitted to the windows and doors of the
A.D.Cs house at Luthvan pl.? I do not
think P.W.D. should supply and fix
cotton gauge as it is not likely to last
long.

2. If you agree in principle to magnetic gauge estimates will be called for.

(5)

ms 10/9

Ms

AD.

I do not understand why mosquito proof screens were not provided in the first place. Tultam is known as a bad mosquito area and the workmen on the building of the house have a bad time.

The pt. have coloniali proposed for malai
 jungle - when passage was not least more
 one season but if coloniali is too high in
 maintenance not available we may have to adopt
 the less maintenance material.

Slight alteration will be required
as indicated in pencil on estimate
if expenditure is approved and be-
fore work will be put in hand.

A saving of approx Rs. 10 could be
affected in the cost if one way masonry
only is adopted.

With the increased cost of masonry
the total estimated cost still remains

Rs. 160. for
10.0.0

2 April, 1942

Chief Secretary

nm *0.7.12*
2

Subject:- Residence of the Asst. Dist. Commissioner, Tulkarm.

Reference: Your W/78/41 of 13-11-41, addressed to Director of Public Works, Jerusalem, copy to me.

Now that the residence of the Asst. District Commissioner, Tulkarm, is nearly finished it has been noticed that no provision was made for installing electric light.

2. I regret the omission but as Tulkarm is lighted by electricity it was assumed that electricity was already installed. The Public Works Department's minimum estimate is L.P. 160. Of this sum about L.P. 30 will have to be paid to the Palestine Electric Corporation.

3. I shall be grateful if urgent consideration could be given to granting this extra expenditure.

No. 890

DISTRICT COMMISSIONER'S OFFICES
SAMARIA DISTRICT, NABLUS.

12 March, 1942.

Director of Public Works,
Jerusalem.

Subject:- Assistant District Commissioner's
Residence-Tulkarm - State Domain.
Reference:- My 890 of 13.8.41 addressed to the
Chief Secretary, copy to you.

I should be grateful if consideration could be given to the inclusion of the A.D.C.'s house within the security perimeter of the new seraya.

2. The grounds of the house, which are already fenced, adjoin the perimeter fence of the seraya and all that would be required are (a) a small gateway through the seraya fence near the house so as to give access to the seraya and (b) a gateway at the entrance to the A.D.C.'s drive so as to control entry from the street.

3. Apart from the security aspect these gateways are very desirable and I should be grateful to know therefore whether you would authorise their construction. If so I will ask the District Engineer, Nablus for an estimate.

28

A.D.2

Subject: Residence for A.D.C. Tulkarm

Reference: Attached estimate from DENAB dated 27.10.41.

The prices contained in the attached estimate from DENAB are generally fair and reasonable, with important exceptions of major items being too highly priced as follows:-

Items 3,10,14,17,18 - Composite walling average 35 cms. thick, priced at LP 1.200 or 1.300, where LP 1.- should be sufficient.

Item 4 - 20 cms. brick partition, .900 ~~ms~~ should .600 ~~ms~~

Items 22,23,24,25 - R.C.slabs, beams, etc., priced LP 12.- per m³, where LP 9.500 should be sufficient.

Item 43 - LP 3.750 per m³ for concrete 1:3:6 in screeding under floor tiles is excessive, LP 2.500 being sufficient.

Item 44,52,53 - sink, bath and geyser. The prices of LP 6.-, LP 11.- and LP 14.- could be LP 4.-, LP 7.-, and LP 10.- respectively.

Item 80 - 3 rainwater heads at LP 4.-, each is extravagant, LP 2.- being ample.

2. The adjustment of the foregoing prices as suggested will effect a total reduction of LP 98.-

3. The estimate has been increased by LP 82.760 to cover supervision, which, however, is included in Contractors' prices on which my estimate is based.

GOVERNMENT OF PALESTINE

890

DISTRICT COMMISSIONER'S OFFICES
SAMARIA DISTRICT, NABLUUS

28 October, 1941

10.9.41
✓

Chief Secretary

Subject:- Assistant District Commissioner's
Residence - Tulkarm - State
Domain.

Reference: Your W/78/41 of 24-10-41.

I understand that the estimated cost
of building the Asst. Dist. Commissioner's residence
in Tulkarm is about 12,950.

The original plan has been entirely revised
and I do not consider that it would be possible to
cut down the expense any more.

2. If Government is prepared to agree to
building the house I should be grateful if it could
be started as soon as possible, if money is available,
and not wait until next year's estimates are approved.

CENTRAL REGISTRY

GOVERNMENT OF PALESTINE

PUBLIC WORKS DEPARTMENT,
NABLUS.

27th October, 1941.

IN REPLY PLEASE QUOTE

No. 1/2/2URGENTBY HANDDirector of Public Works.

Subject :- Proposed Residence of A.D.C., Tulkarm.

..... I enclose, herewith, drawing No.673/2, showing amended proposals as discussed in this Office with the Director of Public Works and the Acting District Commissioner on 22.10.41.

2. Including supervision, office charges and contingencies, the estimated cost of the work of building on two new rooms and making alterations to the existing building, as shown in the above drawing and in the estimates attached, amounts to LP.950.000 mils.

3. Glazed tiles for the lavatories and bathroom, although requested by the A.D.C., have been left out for sake of economy. If it is found possible to effect some savings, the glazed tiles could then be fixed.

Director of Public Works.

Subject :- Proposed Residence of A.D.C., Tulkarm.
 Reference :- Recent 'phone conversation - Messrs.
 Jones and Holder.

..... I enclose, herewith, a drawing showing proposals as
 put forward by Assistant District Commissioner, Tulkarm, and the
 estimate sent to him.

Drawing No. N/673 is enclosed with this.

2. On 14.10.41, the District Commissioner has submitted
 a request for a new estimate based on modifications of original
 proposals.

3. It should be noted that price for reinforced concrete
 (item 4) at LP 6.500 ~~ms~~ per ton no longer applies. The price should
 now read LP 11.200 ~~ms~~, which increases the original estimate by
 LP 168.000 ~~ms~~.

A new drawing and new estimate are therefore being
 worked out and will be sent to you as soon as possible.

File No. 13/5/2
 CHIEF SECRETARY'S OFFICE,
 JERUSALEM.

W/78/41

6th October, 1941.
 P.W.D.H. Qrs. Jerusalem

Dear Wilson Brown,

You will remember that following a visit by the Chief Secretary and myself to Tulkarm on the 16th September, I rang you up and asked whether you had material for forming an opinion about the possibility of altering the offices at Tulkarm into a suitable residence at relatively small expense. You said that you would make enquiries and let me know when these were completed. The District Commissioner, Nablus, has again written in on the matter and I shall be grateful if you will let me know whether it is yet possible for you to give me any indication of what might be done.

Yours sincerely
H. H. S. [Signature]

Captain C. Wilson Brown, O.B.E., M.C.
 Jerusalem.

DISTRICT COMMISSIONER'S OFFICES
SAMARIA DISTRICT, NABLUS

13 August, 1941

Chief Secretary

nm *M.D. (w)*
Subject:- Assistant District Commissioner's
Residence - Tulkarm - State Domain.

Reference: Your W/78/41 of 9-8-41.

A short walk around Tulkarm, probably the most sordid town in Palestine, would convince anyone that, with the possible exception of two houses, there is no suitable accommodation for a married officer; Neither of the landlords are prepared to let these houses and, in any case, they are badly placed as far as security is concerned and would certainly have to be evacuated if there was any trouble.

2. It was not possible to foresee the expenditure when the estimates were prepared as it was not known exactly when the new Government buildings would be ready and there was some doubt as to whether certain other departments, now otherwise accommodated, would require the building.

3. The Assistant District Commissioner's present house is only occupied because there is really nowhere else to go. It has only three rooms, as well as the usual offices, and is backed by Police stables which make it smelly and full of flies. It would be most unsuitable for a married officer.

4. I most strongly urge that my proposal should be adopted. Not only will it solve the always difficult problem of accommodation for the Assistant District Commissioner, Tulkarm, but it will be a definite asset to Government.

8th August, 1941.

18

Chief Secretary.

With reference to the subject of State Domains in the Government officers occupation the Chairman, District Housing Committee writes :-

" The residences of the District Officers at Jenin and Tulkarm, State Domains Nos. D/Jen/10 and R/Tul/1(1)D respectively are to be reserved permanently for those officers. They should therefore be taken over by the Central Housing Commission as stated in para. 1 of letter under reference. 36-361317

As stated in my letter No. 557 of 26.5.41, to Director of Land Settlement, Jerusalem, copy to you, and my letter No. 557 of 27.5.41, to Director of Land Settlement, Jerusalem, I do not consider 10% of the officers' salaries as fair rental contributions and the assessment of reasonable rents which will be deducted in monthly instalments from the salaries should therefore be made by you.

Both Buildings are in need of repair and renovation, particularly that in Tulkarm. These repairs, I presume, will be carried out by the Public Works Department prior to the new arrangements coming into effect. Providing these repairs are done I suggest that a rental of LP.40. p.a. for each house is reasonable."

2. If you approve that this be done the Director of Land Settlement may be requested to allocate these two State Domains to this Commission and the necessary work of renovation put in hand and the officers concerned informed of the rental payable.

(Sgd.) B.O. Denham.

for Chairman,
CENTRAL HOUSING COMMISSION.

UNCL
UNCL

Chief Secretary.

In your letter #/36/41 of 18th April you approved of my proposal that the class of residence to which any officer is entitled will be determined by the capital cost such cost being taken as 18 years purchase of the officers rental contribution plus Housing allowance, if any.

2. In the present case you have given no indication whether you approve of the District Commissioners' suggestion that the rental contribution to be considered should be that of an Assistant District Commissioner's at the top of Grade 'G' but, assuming that the proposal is regarded as being reasonable under the circumstances described, the rental contribution would be LP.96 p.a. as stated by the District Commissioner, he has, however, omitted to add the Housing Allowance which, in the case of an officer in Tulkarm at the top of Grade 'G' would amount to LP.12 p.a. The capital cost of the residence would therefore be $(96 + 12) \times 18 =$ LP.1,944.

3. If we accept the value of LP.300 placed on the existing office building by the Urban Property Tax Appeal Committee vide District Commissioner's letter to you No.890 of 23.7.41 the amount which could be expended upon its conversion to a residence would be LP.1,644 for which sum I feel sure that, even at present prices, a very satisfactory residence could be secured.

4. Having regard to the difficulty of obtaining satisfactory housing accommodation in Tulkarm and the fact that the District Commissioner's proposal would ensure the protection of the A.D.C.'s residence during disturbances I support the recommendation.

(Sgd.) C. WILSON BROWN

DIRECTOR OF PUBLIC WORKS.

MINISTER OF HEALTH DEPARTMENT OF HEALTH

NOTIFICATION OF A DEATH OCCURRING IN A VILLAGE

[illegible]

- [illegible]

Date 14.

16th July, 1941. 15

Chief Secretary,
Jerusalem.

There is no really suitable accommodation for a married British Officer in Tulkarm.

2. It has been suggested that State Domain No. R/tul/1(1)b, formerly the District Offices, should be converted into a residence for the Asst. District Commissioner. The situation is ideal from every point of view. It is secluded and stands on a hill above the town. It adjoins the new Government buildings and is, indeed, already surrounded by wire.

3. The present buildings are badly in need of repair and considerable alteration and additions would have to be made to turn them into a residence. I suggest that the minimum accommodation that should be provided for a married British Officer Grade 'G' is two public rooms and four bedrooms as well as the usual offices.

4. I understand that the total cost of a residence, under normal circumstances, is determined by a formula based on an eighteen year period of purchase. In this instance the rental contribution would be that of an Asst. District Commissioner on the top of Grade 'G', as it must be remembered that Tulkarm is the probable station of a Deputy District Commissioner. This would be LP.96 a year or a total, over eighteen years, of LP.1728. The value of the existing buildings would have to be deducted from this.

5. The matter has been informally discussed with the Director of Public Works and the Commissioner for Lands & Surveys who have expressed their sympathetic interest in the proposal which ~~xx~~ I very strongly recommend should be adopted by Government as soon as possible.

accommodation for British married
officers at Lulkaam.

①

C.S. File W/78/41.

(2)

S.P.W.

The A.D.C. Lulkaam and D of L.S. called in
this office earlier this month to discuss the question
of accommodation for the families at Lulkaam.

2. They brought sketches of alterations and additions
the A.D.C. prepared for the house, which I said
I was not prepared to discuss. The first step was
to obtain basements approval in principle to the
proposal, based on the formula given in
pg 97 of Lile 11/9. It was also pointed out to them
that from the total obtained, based on the
formula, the same value of the existing buildings
would have to be deducted the balance would
then be available for additions and alterations.
3. Accommodation for British married officers is
scarce in Lulkaam and I recommend the
Ag D/Cs proposals be supported on the basis of
para 2 above.

4. For gas installations etc.

permt.

DISTRICT COMMISSIONER'S OFFICES
SAMARIA DISTRICT, NABLUS

Chief Secretary, Jerusalem

23 July, 1941

MM 1 P.M. (2)
23/7
Subject:- Assistant District Commissioner's Residence, Tulkarm.
Reference: Letter No. R/Tul/1(L)B of 18-7-41, from Director of Land Settlement, addressed to me copy to you.

I did not trouble the Director of Public Works to make an exact estimate of the cost of renovations etc. to the buildings until the general principle had been accepted by Government. I understand however that the District Engineer, Nablus, has estimated the cost at approximately L.P. 1300 - L.P. 1400. It must be remembered that this is only a rough figure but it is unlikely to be more.

2. The Urban Property Tax Appeal Committee has valued the building in its present dilapidated condition at L.P. 300. This, of course, does not include the value of the land.

Tulkarm.

Reference: Your 890 dated 15th July,
1941.

W.D. H. Qra. Jerusalem

Kindly note that the appointment of Commissioner for Lands and Surveys has not existed since 1st April, 1940, (vide Chief Secretary's circular No. 31 dated 28th March, 1940). The discussion referred to in para 5 of your above quoted letter was with me.

To enable the question of the re-conditioning and allotment of this property to the Assistant District Commissioner to be considered the Chief Secretary will require an estimate of the cost of the necessary renovations etc. and the value of the building, which I suggest you request the Director of Public Works to provide.

Haun Benur
DIRECTOR OF LAND SETTLEMENT.

Copy to: Chief Secretary;
Director of Public Works;
Assistant District Commissioner,

DISTRICT COMMISSIONER'S OFFICES,
SAMARIA DISTRICT, NABLUUS.

16 July, 1941.

Chief Secretary,
Jerusalem.

There is no really suitable accommodation for a married British Officer in Tulkarm.

2. It has been suggested that State Domain No. R/tul/1(1)b, formerly the District Offices, should be converted into a residence for the Asst. District Commissioner. The situation is ideal from every point of view. It is secluded and stands on a hill above the town. It adjoins the new Government buildings and is, indeed, already surrounded by wire.
3. The present buildings are badly in need of repair and considerable alteration and additions would have to be made to turn ~~them~~ into a residence. I suggest that the minimum accommodation that should be provided for a married British Officer Grade "G" is two public rooms and four bedrooms as well as the usual offices.
4. I understand that the total cost of a residence, under normal circumstances, is determined by a formula based on an eighteen year period of purchase. In this instance the rental contribution would be that of an Asst. District Commissioner on the top of Grade "G", as it must be remembered that Tulkarm is the probable station of a Deputy District Commissioner. This would be L.P. 96 a year or a total, over eighteen years, of L.P. 1728. The value of the existing buildings would have to be deducted from this.
5. The matter has been informally discussed with the Director of Public Works and the Commissioner for Lands & Surveys who have expressed their sympathetic interest in the proposal which I very strongly recommend should be adopted by Government as soon as possible.

Chairman,
District Housing Committee,
Samaria District.

258-
5411/8
Subject:- State Domains - Residences of District
Officers Tulkara and Jenin.

Reference:- Director of Land Settlement's
R/TUL/1/1/D of 13.12.40 and your
557 of 12.12.40.

For Government leased buildings the practice has always been to hold the lessors responsible for external maintenance and the lessees (Government) for internal maintenance. In the case of the above State Domains the Government (represented by the Department of Land Settlement) is the Lessor and Government again (represented by the Central Housing Commission) is the lessee. The District Officers are only tenants.

2. It therefore follows that if the District Officers of Jenin and Tulkara desire to enjoy the same privileges as those enjoyed by those referred to in G.R. 233 i.e. to have inside and outside maintenance repairs undertaken by Government, they must agree to contribute 10% of their salaries and cost of living allowance in accordance with G.R.234. Otherwise, if the present procedure of allotting these State Domains to the said officers at a fixed rental is to continue they, as lessees, must agree to undertake inside maintenance and Government as lessor will only do external work.

3. Will you please let me have the decisions of

P.T.O.

these two officers together with the views of your District Committee so that matters may be regularised and the necessary instructions issued to the District Engineer, Nablus District, as regards the repairs.

Chairman
Central Housing Commission.

Subject:- District Officer's Residence,
Tulkarm.

Reference: Your 36/3/8 dated 2nd May, 1940.

I should have thought that the three
shutters and the two iron bars would, since you
have taken over the building, have been a fair
charge against your vote but I do not see that
it matters much where the money comes from and
since you are satisfied that the work should be
done, I have no objection to the sum of LP.9
being allotted to the District Engineer for this
work from Item 17 of Head XXVII - Public Works
Recurrent.

DIRECTOR OF LAND SETTLEMENT.

Chairman,
Central Housing Commission.

Subject : State Domain D/Tul/10C - District
Officer's Residence - Tulkarm.

This State Domain not having been seriously attended to for a number of years is by now in a fairly poor state of disrepair, required complete re-decoration and re-painting, repairs to plaster and woodwork and replacement of part of worn out tiles etc.; work estimated to cost LP.90.

May this amount be provided for carrying out the works in 1940/41 Financial Year, please.
